OUR POLICIES

We will:

Fight to **make Northern Beaches Council work** and ensure Narrabeen Ward is looked after – if it's not working, we will fight for change

Work with State Government to make **Beaches Link and the B-Line** a reality sooner

Ensure **adequate road and transport infrastructure** before new developments, including around the new Hospital site and Ingleside

Fight for **Council rates** to come down

Reduce Council's regulatory burden on business

Make the **DA process** simpler, quicker and cheaper

End frivolous Council expenditure, like free sketching classes

Develop a **Narrabeen Lagoon master plan**, so the State Park becomes a recreational and tourist hub

Support the retention of **medical and emergency services at Mona Vale Hospital**

Support a **tough on drugs** approach by the Northern Beaches police

Stop overdevelopment – no new dwellings until we have the infrastructure to handle any growth in population

Dedicate **new land for sports fields** and invest in existing fields to increase capacity

Preserve our **natural environment**

Fight any Labor and Green plans to cancel or move **Australia Day**
